### HOW TO USE THESE RECIPES

- Everything is in grams, millilitres and °C.
- Allergens are listed at the top of each recipe.
- Times are the total, from cutting board to plate.

DINNER 1

# Tofu scramble with avocado

**Serves** 2 | **Time** 25 min | **Allergens** Soy, gluten (pita)

## WHAT YOU NEED

**Scramble**

- 400 g firm tofu
- 1 onion, sliced
- 2 garlic cloves, chopped
- 2 red pointed peppers, sliced
- 1 tbsp olive oil
- 1 tsp ground turmeric
- ½ tsp smoked paprika
- Black pepper

**Sauce**

- 2 tbsp soy sauce
- 1 tbsp lemon juice
- 2 tbsp plant milk

**To serve**

- 1 avocado
- 2 wholemeal pitas

## HOW TO MAKE IT

1. Crumble the tofu into a bowl with your hands. Stir the soy sauce, lemon juice and plant milk together in a cup.
2. Heat the oil in a large pan over medium heat. Fry the onion for 5 minutes, then add the garlic and peppers for 3–4 minutes.
3. Add the tofu, turmeric and paprika. Stir until the tofu is yellow all over.
4. Pour in the sauce and cook for 3–4 minutes until it is absorbed. Season with black pepper.
5. Slice the avocado into a fan. Serve the scramble in bowls with the avocado on top and a warm pita on the side.

TIP No pita? It works just as well with rye bread or rice.

DINNER 2

# Vegan Spanish tortilla

**Serves** 4 **Time** 45 min **Allergens** None of the 14 EU allergens

## WHAT YOU NEED

**Tortilla**

- 600 g potatoes, peeled and diced
- 1 large onion, sliced
- 3 tbsp olive oil + extra for the pan
- Salt

**Batter**

- 150 g chickpea flour
- 300 ml water
- ½ tsp ground turmeric
- 1 tsp salt

## HOW TO MAKE IT

1. Boil the potatoes in salted water for 12–15 minutes until just soft. Drain.
2. Meanwhile, fry the onion in 2 tbsp oil over low heat for 10 minutes until soft and golden.
3. Whisk the water, 1 tbsp oil, turmeric and salt in a bowl. Whisk in the chickpea flour until smooth.
4. Fold the potatoes and onion into the batter.
5. Heat a little oil in a 24 cm non-stick pan. Pour in the mix and cook over medium-low heat for 6–8 minutes until the edges set.
6. Put a large plate on the pan and turn it over in one move. Slide the tortilla back into the pan and cook 5–6 minutes more.

TIP Let it rest for 5 minutes before you cut it. It is just as good cold the next day.

DINNER 3

# Crispy chickpea bowl with tahini

**Serves** 2 **Time** 35 min **Allergens** Sesame (tahini)

## WHAT YOU NEED

**Bowl**

- 90 g quinoa
- 60 g kale or spinach
- 1 sweet potato, peeled and cubed
- ½ avocado, sliced
- 25 g red cabbage, shredded (or grated beetroot)

**Crispy chickpeas**

- 1 can chickpeas (400 g), rinsed and dried well
- 1 tbsp olive oil
- 1 tsp smoked paprika
- ½ tsp ground cumin
- ½ tsp garlic powder
- Salt and black pepper

**Lemon tahini dressing**

- 60 ml tahini
- 2 tbsp lemon juice
- 1 tbsp maple syrup
- 1 garlic clove, minced
- 2–3 tbsp warm water
- A pinch of salt

## HOW TO MAKE IT

1. Heat the oven to 200 °C. Put the sweet potato with a little oil and salt on one half of a tray, and the chickpeas with the oil and spices on the other. Roast for 20–25 minutes.
2. Rinse the quinoa and simmer it in 250 ml water or broth, covered, for 15 minutes. Fluff with a fork.
3. Whisk the tahini, lemon juice, maple syrup, garlic and salt. Add the warm water a spoon at a time until smooth.
4. Rub the kale with a few drops of oil and a pinch of salt for 30 seconds (skip this for spinach).
5. Build the bowls: quinoa and greens, then sweet potato, chickpeas, avocado and cabbage. Add the dressing just before you eat.

**TIP** Dry the chickpeas well with a tea towel. That is what makes them crisp.

DINNER 4

# Katsu curry with crispy tofu

**Serves** 2–3 **Time** 40 min **Allergens** Soy, gluten (panko, flour)

## WHAT YOU NEED

**Tofu cutlets**

- 400 g extra-firm tofu, pressed, cut in thick slabs
- 30 g panko breadcrumbs
- 3 tbsp flour
- 3 tbsp plant milk + 1 tbsp flour, mixed
- Salt, pepper and garlic powder

**Curry sauce**

- 1 onion, diced
- 2 carrots, chopped
- 2 garlic cloves + 1 tsp fresh ginger, minced
- 1 tbsp curry powder
- ½ tsp garam masala
- 500 ml vegetable broth
- 1 tbsp soy sauce
- 1 tbsp maple syrup or brown sugar

**To serve**

- Cooked short-grain rice

## HOW TO MAKE IT

1. Fry the onion, carrots, garlic and ginger in a little oil until soft. Stir in the curry powder and garam masala for 1 minute.
2. Add the broth, soy sauce and maple syrup. Simmer for 15 minutes, then blend until smooth and keep warm.
3. Season the tofu. Coat each slab in flour, dip it in the milk mix, then press it into the panko.
4. Fry in hot oil for 3–4 minutes per side until golden, or air-fry at 200 °C for 12–15 minutes.
5. Slice the cutlets and serve with rice and plenty of sauce.

TIP Make a double batch of sauce. It keeps for 4 days in the fridge.

DINNER 5

# Lentil and mushroom bolognese

**Serves** 4 **Time** 55 min **Allergens** Celery, gluten (pasta)

## WHAT YOU NEED

**Base**

- 1 tbsp olive oil
- 1 onion, finely diced
- 2 carrots, finely diced
- 2 celery stalks, finely diced
- 225 g mushrooms, finely chopped
- 3 garlic cloves, minced
- 100 g brown or green lentils, rinsed

**Sauce**

- 2 tbsp tomato paste
- 120 ml red wine or vegetable broth
- 800 g crushed tomatoes
- 500 ml vegetable broth
- 1 tsp dried oregano
- 1 tsp dried basil
- Salt and black pepper

**To serve**

- 340 g pasta
- Fresh basil or parsley

## HOW TO MAKE IT

1. Heat the oil in a large pot. Cook the onion, carrots and celery for 6–8 minutes until soft.
2. Add the mushrooms for 5 minutes, then the garlic for 1 minute.
3. Push the vegetables aside and cook the tomato paste for 2 minutes. Add the wine or broth and let it reduce by half.
4. Add the tomatoes, broth, lentils and herbs. Cover and simmer for 35–40 minutes until the lentils are soft.
5. Cook the pasta, keep a splash of the water, and toss the pasta in the sauce.

TIP It tastes even better the next day, so cook it on Sunday for Monday.
